Venue Holiday Inn Samara, 99, A. Tolstogo St., Samara, RUSSIA

Registration fee - free for all participants

Languages: English and Russian

Applications for participation/abstracts deadline - 01/07/2015

For Young Cardiologists only (≤ 36 years):

«Seven Labours of Young Cardiologist»

Labour 1. “Clean the Augean stables in a single day”

Nothing special just everyday “fairytale” in Emergency Department . You will be asked to go through the diagnostic process of 3 (three) Urgent Admissions within 30 minutes.

Labour 2. Slay the nine-headed Lernaean Hydra”

The ECG Quiz with 9 ECG records presented one after another (2 minutes for each ECG will be given).

Labour 3. “Obtain the girdle of Hippolyta, Queen of the Amazons”

Evaluation of 10 video echo (30 minutes altogether)

Labour 4. “Steal the apples of the Hesperides”

Test your knowledge of ESC Guidelines published in a year 2014 (~40 questions within 60 minutes)

Labour 5. "The Stymphalean Birds"

Special Quiz devoted to the World Thrombosis Day 2015 (20 questions within 30 minutes)

Labour 6. “Nemean lion”

Resuscitation Battle

Labour 7. “Capture and bring back Cerberus”

You will have time for Clinical Case Presentation (7 minute per Hero)

The first step for participation is a preliminary registration sent to samaracardio@micepartner.ru. All registered participants will go through the first 5 tasks. Each task will be granted, and those 10 cardiologists, who earned more points, will come

across in a Resuscitation Battle. The best five of them will present Clinical Cases at a special session.

The Winner will be selected by Areopagos (Board of Senior Cardiologists) and will be awarded by a grant for participation at the Forth Global Educational Forum «Russian Cardiovascular Days – 2016».

Scientific Session «Young Investigators Award»

Submit manuscript with results of your research (any topic allowed) and your short CV (up to 250 words) on samaracardio@micepartner.ru.

Recommended structure of manuscript:

introduction, aim, materials and methods, results, discussion, conclusion (maximum up to 4 pages). Short abstract of manuscript (up to 250 words) with the same structure should be submitted as an abstract on www.samaracardio.ru.

Ten best papers, selected by a Board of Reviewers, will be presented during **Young Investigators Award Session** in front of the Panel of Experts and your peers.

The winner will receive a grant for participation at the Forth Global Educational Forum «Russian Cardiovascular Days – 2016».

Scientific Session «Rare Clinical Cases»

Submit an abstract of Clinical Case (up to 500 words) on www.samaracardio.ru.

Recommended structure:

introduction, Case Report description, discussion, conclusion with implication to clinical practice.

The five best Clinical Cases selected by a Board of Reviewers will be presented orally during **Scientific Session «Rare Clinical Cases»** (12 minutes presentation), others participants will present their cases during Moderated Poster Session.
